The St. Catherine of Siena Men's Club is an organization of men which serves the parish and school of St. Catherine of Siena in many ways. We provide leadership and workers for parish and school activities; we raise funds for parish and school organizations, and we provide spiritual, social, and athletic activities for members of the club and their families.

We usually meet the first Wednesday of each month at 6:30p.m. in the school cafeteria September through April (please check the calendar for exceptions). These meetings are followed by dinner and socialization.

Here is a brief list of some of our exciting activities for this school year:
